Centering prayer is a silent meditation method rooted in Christian contemplative tradition. It is accessible to all who want to open themselves, heart and mind, to the 'Ultimate Mystery'. It is intentional practice founded on the gesture of surrender, a conscious letting go of thoughts, images and ideas in order to rest in a place of deeper spiritual attentiveness.

SILENCE IN THE PINEWOODS

Opening to the presence of God

***An Introduction to Contemplation through the gateway of Centering Prayer
led by Fr Richard Sloan***

Centering Prayer is a silent meditation method, rooted in the Christian contemplative tradition. It is accessible to all who want to open themselves, heart and mind, to the Ultimate Mystery. It is an intentional practice, founded on the gesture of surrender, a conscious letting go of thoughts, images and ideas in order to rest in a place of deeper spiritual attentiveness.

It is a methodology par excellence for nurturing the heart, the place where we come into alignment with Divine Wisdom and live authentically out of our true selves.

"It's not about knowing more but about more of you knowing" (Cynthia Bourgeault).

Whether you are new to Centering Prayer or already familiar with it, the day will offer some insights into this transformative method of meditation through:

- understanding the background to Centering Prayer
- introducing you to the Centering Prayer method
- experiencing 2 sessions of Centering prayer
- being with a like-minded group of seekers
- exploring how Centering Prayer offers a path of transformation gathering new insights to weave into your life.
